Entertaining and educational storytelling about the back roads of Michigan. Slide shows run about 40 – 50. Additional time for Q&A.

Michigan Rediscovered – Adventures on the back roads. A rollicking road trip across Michigan to more than a dozen destinations most travelers have missed. Discover the underground rathskeller in the Irish Hills, the gravity mystery in Frankfort, the Monarch Butterfly Migration, Lady Godiva in Michigan and others.

Oddities & Rarities – We journey across Michigan to visit small towns that hide unique objects and mysteries. Learn about the enigmatic Keweenaw Wall, the ancient artifact in Nahma, the Tomb of the Cow, the Sanilac Petroglyphs and more. A very popular program with an emphasis on forgotten Michigan history.

Nature Getaways – This program features overlooked nature areas and easy walking trails in Michigan. Each destination offers something unique, a waterfall, incredible scenic, or rare natural wonder. Local attractions are discussed near each nature area so each can make for a great day trip.

Long Weekend Getaways – This program includes overlooked destinations, two islands, and small towns. Each destination has enough attractions, nature, shops, best kept secrets and lodging to keep you entertained for a long weekend.

Unique Structures – Road trips based on unusual structures and buildings, each with a story to tell. Examples are a secret passage in a castle, a house built of bottles, a Queen Ann mansion built for love, a giant wall in the forest, haunted inns and a pestilence house. Loads of fun along the way.

Program Fee is \$275.00. Covers all travel and allows for a discount on books.
